#### **Conn-x TV, the television of the future.**

Conn-x TV is the most technologically advanced way of transmitting TV content through a simple telephone socket and an internet connection.

With Conn-x TV, subscribers may enjoy:

- more than **40 thematic television channels** with digital clarity (such as Universal Channel, Fox Life, Discovery Channel, Nat Geo Wild, KidsCo, MTV), which also include three exclusive sports channels: **Conn-x TV Sports1, Conn-x TV Sports2 and Conn-x TV Sports3**. These exclusive Conn-x TV channels show important sports events for Greek fans as well as major sport events from all over the world. Football matches from Spain (Primera Division), Germany (Bundesliga), Italy (Campionato, Coppa Italia) and France (League Cup) are already part of of the two Conn-x TV sports channels.

- **Video on Demand (FilmExpress and FilmClub)** services, whose content is updated regularly. **FilmExpress** is a virtual **Video Club**. Conn-x TV customers have the option of selecting a film among TV premieres from major Studios. Once a film is rented (pay per view), it is available for 24 hours. With **FilmClub**, subscribers become members to the **subscriber Video Club** service offered by Conn-x TV. Viewers can watch over and over again, whenever they want, famous television series, movies, music video clips, documentaries, cartoon series etc., from the FilmClub collection, without having to wait for the video to download and without interruptions for commercials, whereas they can rewind, pause, skip, stop and fast forward the movie.

The detailed price list is as follows:
